ONLINE TRAINING

Self-Paced Video-Based Training (English only)

- This is the "classic Distance Learning". It is Jason Tranter's videos teaching the courses, and the students can watch them at any time if they have an internet connection.
- The students have 4 months of access to the course.
- Optional certification examination is available after course completion. It will be offered via our online or classroom examination.

**Asset Reliability Practitioner [ARP- A]
Reliability Advocate**

**Asset Reliability Practitioner [ARP-E]
Reliability Engineer**
