

# Type Certificate

GL Renewables Statement No. **TC-GL-019A-2009**

We hereby certify that the condition monitoring system

## VIBROWEB XP Wind

designed and manufactured by **PRÜFTECHNIK Condition Monitoring GmbH**  
**Oskar-Messter-Str. 19-21**  
**85737 Ismaning, Germany**

has been assessed by Germanischer Lloyd concerning the system design, prototype testing and the manufacturer's quality system.

The Type Certificate is based on the indicated documents as follows:

**Report No. 72550-16, Rev. 3** Certification Report for the Condition Monitoring System dated 1<sup>st</sup> December 2009

**Certificate Registration No. 12 100 16211 TMS** TÜV Certificate of Approval acc. to DIN EN ISO 9001:2008 valid until April 2012

Normative references: Germanischer Lloyd "Guideline for the Certification of Condition Monitoring Systems for Wind Turbines", 2007 Edition

Changes of the system design or the manufacturer's quality system are to be approved by Germanischer Lloyd, otherwise the Type Certificate loses its validity.

This Type Certificate is valid until **30<sup>th</sup> November 2011**, if the validity of the certificate for the Quality Management system is maintained.

Hamburg, 1<sup>st</sup> December 2009
